**Daryl Paulson, Ph.D. and Marsha Paulson of BioScience Laboratories to Speak at Bozeman Business Expo**

Bozeman, Montana – October 21, 2011 – BioScience Laboratories announces that Chief Executive Officer, Daryl Paulson, Ph.D. and Vice President, Marsha Paulson will be the keynote speakers at the Bozeman Chamber of Commerce Business Expo on October 27, 2011. The event will take place at the Bozeman Holiday Inn. In 2010, BioScience Laboratories was selected as a top Montana Family Business by the Montana State University College of Business and was named the Business of the Year by the Bozeman-based Prospera Business Network.

Dr. Daryl Paulson, President and CEO, has extensive experience in skincare research designs, clinical trials, and biostatistics. He founded BioScience Laboratories in 1991. As the author of the standard texts of antimicrobial and disinfectant product testing, Dr. Paulson is held in the highest regard amongst his industry peers. In addition to authoring texts, Dr. Paulson has published over 30 articles in several industry journals.

Marsha Paulson received her undergraduate degree from Vermont College in Montpelier, Vermont, and completed her Master of Business Administration degree at Norwich University in Northfield, Vermont. Ms. Paulson has 25 years of previous banking experience and small business ownership. Using her extensive experience in all facets of business operations, she manages the day-to-day workings of BioScience Laboratories.
