BioScience Laboratories Announces Clinical Laboratory Expansion to Double Capacity

Bozeman, Montana – May 4, 2010 – BioScience Laboratories announces the expansion of its clinical laboratory. In response to client requests for shorter lead times and faster study completions for clinical studies, BioScience Laboratories has doubled the size of the available testing space. The expansion, combined with the new clinical staff allows BioScience Laboratories to conduct multiple clinical studies in parallel and effectively respond to critical timelines for its clients.

For more information on BioScience Laboratories' clinical laboratory capabilities, contact:
