Laboratory Technician – Clinical Laboratory

BioScience Laboratories, Inc., a leading CRO engaged in the independent efficacy and safety testing of disinfectants and topical antimicrobial formulations for healthcare and industrial applications, is seeking a **Laboratory Technician in our Clinical Laboratory**. Working for a small privately held enterprise located in Bozeman MT, you'll have the best of two worlds: influence and leadership within a high caliber, well regarded organization and access to the best of "Big Sky Country" with blue-ribbon trout streams, hiking and powder skiing just outside your door.

Job Responsibilities:

- Work on a wide variety of laboratory tests and studies with a team of colleagues
- Analyze outputs and data
- Using experience, judgment and knowledge, carry out procedures and protocols, resolve problems, and work with study participants on FDA regulated studies
- Critically analyze study results for accuracy and success in meeting study goals
- Learn numerous laboratory methods, procedures and operate lab equipment
- Interact with internal and external customers

Background and Experience:

- Bachelor's degree in a Life Science (like Biology, Microbiology, Nursing, etc.)
- Experience in laboratory environment preferred; understanding of aseptic technique
- Ability to work collaboratively with scientific and non-scientific personnel. Experience in GLP or other regulated environment preferred.
- Must be able to effectively work on multiple, diverse studies in a concurrent manner
- Demonstrated excellence in customer service or patient skills.
- Strong, clear communication skills, willingness to listen, learn and apply learning, curiosity about science and ability to ask questions
- Personal flexibility when it comes to tasks and assignments. Motivation to "pitch in".
- Strong writing skills, a strong plus.

BioScience Laboratories offers a wide array of competitive benefits as seen in larger companies including full medical coverage, 401K and a bonus plan. Send your resume and cover letter to Ms. Deanna Field, Director of Human Resources at dfield@biosciencelabs.com.
